as it is hard to explain a trip of this sort. [8% The only] admissable cover story for a temporary trip is to refer to the deterioration in the health of his old father who lives there and is kept by NIK[ii] and his brothers. NIK could go for two weeks to identify IGLA[iii], to establish conditions for contact and a perpetual password and after that to return to TYRE[TIR][iv]. NIK pointed out that this alternative does not guarantee success since on
